KNOWLEDGE AND INSIGHT

POI's expertise is based upon in-depth and current knowledge of the workplace and experience in applying products and services that create the right space for each client. Our years of know-how are bolstered by access to Steelcase's original, leading-edge research into the evolving nature of work and the spaces that support it.

INDUSTRY EXPERTISE

Our specialized, multi-disciplinary teams understand the unique challenges our clients face, and how to best address them. POI proactively helps clients respond to changing needs by leveraging their space to ensure the best long-term return on investment. POI also shares knowledge and research through professional courses to support the ongoing advancement of our community of clients and their consultants.

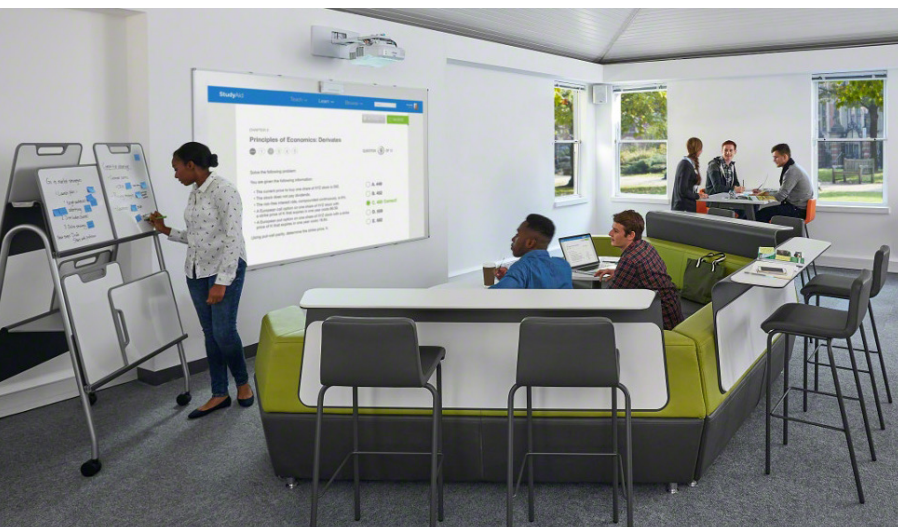

We create environments and experiences that inspire.

For over 60 years, POI has been a leader in helping create healthy and productive spaces for a broad portfolio of clients in the corporate, healthcare, education and government sectors.

Offering a complete suite of integrated services from floor to ceiling and everything in between, POI fully supports clients of any size. Our legacy of expertise, accountability and reliability forms the foundation for the long-term relationships we enjoy, some of which stretch back more than six decades.

Combining insight with attention to detail, our Integrated Solutions Delivery will make the process easy for you.

SERVICE EXCELLENCE

POI regularly undertakes third-party surveys and analyses of client projects and relationships to ensure continuous improvement. It is one of the reasons POI was awarded the prestigious Steelcase Premier Partner designation.

COMPREHENSIVE PRODUCT AND SERVICE OFFERING

RELOCATION SERVICES

We take ownership of moves and changes to ensure transitions are seamless and your organizational needs are met.

POI STUDIO

Our team of specialists works collaboratively with you and any consultants you engage to provide creative workplace solutions that optimize your space and effectively connect people, technology and work styles.

PORTFOLIO OF PRODUCTS

To integrate the fluid intersections of work and life, POI carries exclusive, European-designed products like Coalesse, Blu Dot, and FLOS in addition to a complete range of high-quality contract manufacturers.

ARCHITECTURAL SOLUTIONS

We provide superior alternatives to traditional construction that's much simpler to build, easier to change, more environmentally responsible and much more cost-effective.

TECHNOLOGY SERVICES

From monitors and projectors to sound masking systems, POI can specify, supply and install A/V and related technology into meeting rooms, boardrooms, training spaces, lobbies and other areas.

ACCURATE AND ACCOUNTABLE

We utilize proprietary SmartTools software to efficiently and accurately specify furniture, create visualization tools like renderings or virtual tours and provide pricing from a single dataset in one step. As a result there are no surprises; clients know exactly what they are getting, how it will look and what it will cost.

POI's certified industry professionals lead every client interaction from the initial needs assessment to the final installation and ongoing service. This guarantees accountability and ownership by not only providing a continuous and open line of communication between our clients and POI, but also affords us the ability to respond directly to issues as they arise in the field. Our superior warranties enable issues to be addressed immediately and directly.
